The report for the year shows a gain in circulation a total of 3436 against 3208 last year.

Our borrowers 214 in number have taken out 2122 books of fiction, 317 non fiction, 997 magazines. 90 new books have been added, 37 by gift, 53 by purchase. The following is a list of those who have so kindly given us books, this year: Miss Elsie M. Blake, Mrs. George Carpenter, Miss Lillian Davis, Rev. Raymond Huse, Miss A. C. Milliken, Miss Louise M. Paul, Mrs. B. C. Sinclair, Union Cong. Church, Miss Lydia Went-

worth, Miss Mary Wentworth.

Periodicals sent by editors are as follows: Granite State News, Carroll County Independent, Photo Era, National Republican, Humane Review, American Issue, Barraio Brith magazine, Insurance Federation, School Life, School, Mazdazman. Odd magazines are given from time to time by different people. We are always glad to receive them.

Magazines purchased were: Review of Reviews, Forum, Life, St. Nicholas, World's Work, Child Life, John Martin's Book, Goodhousekeeping, Scribners, Literary Digest, Popular Mechanics.

Magazines presented to us: Mrs. George Doe, McCalls and Delineator; George Hoit, Argosy; Mrs. H. A. Paul, Harpers; Mrs. A. H. Paul, Red Cross Magazine and Missionary Herald; Mrs. H. D. Piggott, Liberty; Miss A. C. Milliken, National Geographic; Mrs. J. A. Mooney, McCalls; Mrs. Ethel Mackenzie, Saturday Evening Post, Country Gentleman, Ladies' Home Journal; H. C. Tibbetts, National Business.

An old plate, cup and saucer, that originally belonged to Mehitable Gilman, mother of Theodore Gilman, was presented by Mrs. Jennie Spiller.

Mr. Fred Dudley of Union gave us some old photographs and a pair of slippers; all of these were found in the old Hall Tavern.

Mr. H. O. Tripp of Providence gave five dollars as he has so generously done for several years.

Alfred G. Smith of New York gave one dollar.

Miss Mary S. Wentworth willed the library one hundred dollars to be spent at the discretion of the librarian.

The library building has been shingled.

Books were especially purchased for Union Cong. Church reading Club. Later they will be placed in

general circulation.

Several stations have been supplied with books.

Again we thank Mrs. Flora Hoit for her assistance, and other good friends who have so generously given books and money.

The library now contains 9736 volumes and a number of interesting antiques.

### GAFNEY LIBRARY REPORT

Feb. 1, 1931 to Feb. 1, 1932

The work at the library has gone on in the usual way. The library has been open throughout the year on schedule time.

The circulation for the year was 65%, the attendance 4931, the number of borrowers 429, and the number of books cataloged 212. These figures show an increase over the last year's report.

The box of books from the Newark Library was received and the books were a great help, especially in the juvenile department.

The Sanbornville Woman's Club very kindly presented the library with \$10.00 to be used for the purchase of books. This money has been spent and the books, twelve in number, are in use at the present time. The librarian selected one non-fiction, "Poems for Special Occasions", and two books for the children. The other books are all fiction.

Some books and magazines have been sent to the Carroll County Farm for the use of the people there.

During the summer the librarian had a long vacation. In her absence Miss Abbie Tuttle took charge of the library. She has been, since that time active in library work.

You will note that our per cent of attendance is even higher than the preceding year's excellent record, and that fewer instances of tardiness occurred.

The names of those pupils who were neither absent nor tardy for one or more quarters during the year are given in the following roll of honor.

Robinson, Myron Wentworth.

Our bills for general repairs for the present year have considerably over-run our estimates. It was found necessary to build a new chimney at the Sanbornville Grammar School and to replace one of the kaustine tanks. These items we had not anticipated. As a result, our general balance at the end of the year will probably be considerably reduced.

I regret that I am unable at this time to present any detailed report of the school nurse. As all know, Mrs. Weeks, who had served us so faithfully for several years, was taken seriously ill last February and we were without a nurse from that time until October. Miss Pearl Barth, R. N. was with us during the months of October and November and made the usual inspections, but left no detailed report of her work. Our present nurse, Miss Maude McBride, began work with us early in January and has done considerable work in the schools. We hope that there will be no further interruptions in our health work.

Respectfully submitted,

FRED W. DUDLEY,  
Superintendent of Schools
